Subject : Principles for first posting of all newly recruits under the State Government.

The principle of first posting of newly recruited persons to different posts and services under the State Government has engaged the attention of the Government for some time past. In order to ensure transparency and fairness in the first posting of direct recruits to posts and services under the State Government, it has been decided to follow a choice based system which is open and transparent. The following procedure should hence forward be followed for deciding the first place of posting of direct recruits to the State Government Posts and Services.

1. Consequent upon completion of selection process and approval of the select list by the concerned Appointing authorities, the new recruits shall be issued appointment orders without mentioning particular post. In the cases where the new Officers/employees are required to undergo training as per the provisions of the Cadre Rules the appointment order shall also bear mention of the same without detail posting orders.

2. The concerned Establishment of the Administrative Department shall organise a counselling session within a week of issue of appointment orders. The Administrative Department will make careful analysis of all the vacant posts and decide to fill up the posts which are essential for the administration and prioritise the same in that order. All the vacant posts with exact place of posting (called Vacant Post List - which must have equal number of posts as the total number of candidates who have been issued appointment orders) shall be made known to all the candidates present on the day of counselling, as well as through online medium.

3. The appointed candidates are to be placed in eight categories in order of merit as follows:

- 1.ST(W)
