**Sub: - COVID-19 Vaccination of staff working under Departments concerned with the Livelihood Sectors-Reg.**

Madam/Sir,

With reference to subject cited above, I am to say that the phase 3 strategy, which commenced from 1<sup>st</sup> May, 2021 is being guided by "Liberalized Pricing and Accelerated National COVID-19 vaccination Strategy". As per new strategy, HCWs, FLWs and persons age 45 years & above are being vaccinated using vaccines supplied by Govt. of India and person aged 18 to 44 years are being vaccinated using vaccines procured by the State.

Under Phase 3 strategy, the State Government have already initiated the vaccine procurement process for vaccination of 18 to 44 year age group. Now with limited supply, the vaccination of 18 to 44 years age group has started in five Municipal Corporations only. The vaccination of 18 to 44 years will be expanded further to all districts with adequate supply from the Manufacturers in coming days.

In current situation, the staff aged 45 years & above working in key Departments concerned with the Livelihood Sectors such as Agriculture and Allied Sectors, Fisheries, Animal Husbandry and Allied Sectors and all Treasury Office Staff should be vaccinated on priority from the vaccines supplied by Govt. of India. Similarly, the staff aged 18 to 44 years may be vaccinated on priority after receiving adequate vaccine under State procured component.

In this context, you are requested to take adequate step for priority vaccination of above categories of staff in your district / Corporation area.

Yours faithfully,

  
Additional Chief Secretary to Government
