Sub: Cessation of supply of COVID-19 vaccines to private CVCs w.e.f. 1st May 2021 - Reg.

Ref: Minutes of meeting to review COVID-19 Vaccination & Oxygen related issues communicated vide No: 2091736/2021/Imm, dated 21st April 2021 of the Govt. of India, Ministry of Health & FW.

Madam/Sir,

With reference to the subject & reference cited above, I am to say that the previous system of private COVID-19 Vaccination Centers receiving COVID-19 vaccine doses from the Government of India supply at districts level and charging up to INR 250 per dose from the beneficiaries will cease to exist from **1st of May 2021**. All Private hospitals will have to source their Covid vaccines directly from the manufacturers from the 50% vaccine doses earmarked for the 'other than Government of India channels'.

You are, therefore, requested to stop the supply of COVID-19 vaccine to the Private CVCs after 30th April 2021 in your district positively.

This may be treated as "**MOST URGENT**".

Yours faithfully,
