Thus, there is a need to prevent infection in workplace settings and to respond in a timely and effective manner in case suspect case of COVID-19 is detected in these settings, so as to limit the spread of infection.

2. Scope

This document outlines the preventive and response measures to be observed to contain the spread of COVID-19 in workplace settings. The document is divided into the following sub-sections:

i. basic preventive measures to be followed at all times
ii. measures specific to offices
iii. measures to be taken on occurrence of case(s)
iv. disinfection procedures to be implemented in case of occurrence of suspect/confirmed case.

3. Basic preventive measures

The basic preventive measures includes simple public health measures that are to be followed to reduce the risk of infection with COVID-19. These measures need to be observed by all (employees and visitors) at all times. These include:

i. Physical distancing of at least six feet (2 yards) to be followed at all times.
ii. Use of face covers/masks to be mandatory.
iii. Practice frequent hand washing (for at least 40-60 seconds) even when hands are not visibly dirty and use of alcohol based hand sanitizers (for at least 20 seconds).
iv. Respiratory etiquette to be strictly followed. This involves strict practice of covering one's mouth and nose while coughing/sneezing with a tissue/handkerchief/ flexed elbow and disposing off used tissues properly.
v. Self-monitoring of health by all and reporting any illness at the earliest.

Any staff requesting home quarantine based on the containment zone activities in their residential areas should be permitted to work from home.

Government of Odisha guidelines with respect to organizing meetings, coordinating visitors shall be scrupulously followed.

5. Measures to be taken on occurrence of case(s):

Despite taking the above measures, the occurrence of cases among the employees working in the office cannot be ruled out. The following measures will be taken in such circumstances:

When one or few person(s) who share a room/ close office space is/are found to be suffering from symptoms suggestive of COVID-19:

5.1 Place the ill person in a room or area where they are isolated from others at the workplace. Provide a mask/ face cover till such time he/she is examined by a doctor.

5.2. 104 Helpline to be immediately informed.

5.3. Existing guidelines and procedures of Department of Health & Family Welfare, Govt. of Odisha shall be followed.
