

GOVERNMENT OF ODISHA  
HEALTH & FAMILY WELFARE DEPARTMENT

\*\*\*\*\*

Letter No. 15377

Dt. 22nd May 2021

From

Shri. P.K. Mohapatra, IAS  
Additional Chief secretary to Government.

To

All Collector - cum - District Magistrates

Sub: Oxygen : **filled** cylinders to be kept as reserve for emergency

Sir/Madam ,

You are aware that the prevailing pandemic of COVID-19 has immensely increased the consumption of medical oxygen in various COVID health facilities. The State Government has accorded top priority to efficient management of oxygen. In this context, it is imperative that a strategic reserve of **filled** oxygen cylinders is maintained in each district headquarters to immediately meet any immediate emergent requirement to prevent any untoward incident.

The enclosure at Annexure-A details the number of filled cylinders that must be kept as reserve. You are requested to take the following measures:

- Ensure that these many cylinders from the available stock are **filled** and kept at the District Warehouses of OSMCL at District Headquarters/ Medical College & Hospitals.
- The concerned District Warehouse Manager, OSMCL shall be the custodian of these cylinders.
- These reserve cylinders shall be put to use to meet any emergency situation **only under the instruction of the Collector & District Magistrate**.
- Once these reserve cylinders are put to use, the same numbers of **filled** cylinders must be replenished back to ensure that the reserve number of filled cylinders as detailed at Annexure-A, are always maintained.

This must be treated as **MOST IMPORTANT**.

Yours faithfully,

  
Additional Chief Secretary to Government

Date: 22.05.2021

Memo No. 15378

Copy forwarded to

- Principal Advisor to Hon'ble Chief Minister, Odisha for kind information.
