

GOVERNMENT OF ODISHA  
HEALTH & FAMILY WELFARE DEPARTMENT

\*\*\*\*\*  
Letter No. 18056 /H&F.W. Dated 24-06-2021

From

Shri P .K. Mohapatra, IAS  
Additional Chief Secretary to Government

To

All Dean & Principals of Medical Colleges and Hospitals  
All Superintendents of Medical Colleges & Hospitals  
All CDM & PHOs

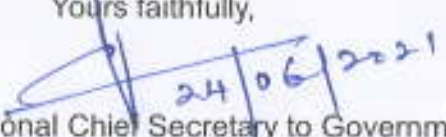

**Sub: Oxygen sample testing for all new PSA plants in health facilities.**

Sir/Madam,

As you are aware, multiple new PSA plants are being installed at various Government Health Institutions across the State. To ensure that these plants deliver oxygen appropriate for medical consumption, sample testing of oxygen should be done in a NABL accredited lab as per guidelines. The PSA plants must be commissioned for medical use only after receipt of satisfactory report by the hospital authorities.

You are requested to please ensure that this Oxygen Sample Testing is undertaken for all new PSA plants being set up in your health institutions, irrespective of source of funding/capital investment for the plant.

Yours faithfully,

  
Additional Chief Secretary to Government

Date: 24-06-2021
