From

Shri P. K. Mohapatra, IAS,
Additional Chief Secretary to Government

To

All Collector & District Magistrates
All Commissioner, Municipal Corporations
All CDM & PHOs

Sub:- Rapid Antigen Testing of manpower deployed for post-cyclone restoration of the Electricity network.

Ref.- Letter No.4772/En. Dated, 22.05.2021 of the Principal Secretary to Govt., Energy Department.

Madam/Sir,

Inviting reference to the letter cited above on the subject, I am to say that the State is likely to be badly affected by the impending cyclone "YAAS". The electricity distribution network is likely to suffer heavy damage due to the heavy wind speed of the cyclone. About 10,000 to 12,000 manpower have been mobilised by TPCODL and TPNODL for post-cyclone restoration of the electricity distribution network. It is necessary to prevent COVID infection among these workmen so that the restoration work goes on smoothly.

You are, therefore, instructed to arrange for Rapid Antigen Testing (RAT) of the workmen deployed at the restoration sites / labour camps within your jurisdiction on priority basis.

This may be treated as **MOST URGENT**.

Yours sincerely,

Additional Chief Secretary to Government
