No. 807 /DN-Misc-12/19

Date - 09.04.2020

To,

**The Director, Capital Hospital, Bhubaneswar / RGH, Rourkela
Supdts., All Medical College & Hospitals / All CDM & PHOs**

Sub: Regarding training of Staff Nurses and support staff in Medical college Hospitals and District Headquarter Hospital. *in clinical management the COVID-19.*

Sir/Madam,

As per the discussion with a number of Matrons / Asst. Matrons of above mentioned hospitals, that the training on COVID-19 imparted to Staff Nurses and support staff is not satisfactory and a large numbers have been left out. The matter was discussed with Director, Health Services, Odisha and as instructed by higher authority.

You are requested to instruct your DMO (MS)-cum-Supdt. alongwith Hospital Managers to ensure that all the Staff Nurses working under you are trained and ready as per Govt. of India guidelines.

A ToT of in-charge Staff Nurse may be done by district epidemiologist / Medicine Specialist / T.B Chest Specialist / Microbiologist and Hospital Manager as per updated guidelines. Cascade training will be undertaken of two groups of staff nurses at 12.00 P.M. and 8.00 P.M. daily to ensure that none are left out (under supervision of Matron / Asst. Matron). It should be duly certified by DMO (MS) / Supdt., DHH / Medical College Hospitals that all staff nurses are trained.

Yours faithfully

Saemr
